

FISCAL NOTE

HB 970 - SB 1323

April 4, 2003

SUMMARY OF BILL: Prohibits persons who have been convicted of Driving Under the Influence or certain drug offenses from obtaining a wholesaler or retail alcoholic beverage permit or beer permit.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant

Estimate assumes prohibiting someone who has been convicted of a DUI from working at an establishment with a beer permit, from having ownership interest in a beer permit, from having ownership interest in a retail or wholesale liquor license, or from working at a retail or wholesale liquor business would decrease the number of permits and licenses issued and decrease state revenues associated with permit and license fees. The amount of such decrease in state revenues cannot be determined but is estimated to be not significant.
